

STOP CIA KILLER DRONES & TORTURE!

SATURDAY, JANUARY 12, 2013

10AM

CIA HEADQUARTERS

900 block of Dolley Madison Blvd., Langley, Virginia

The CIA has been found guilty by the European Court of torture, abuse, & secretly imprisoning. US Military & CIA drones have maimed & killed thousands of people in Yemen, Somalia, Pakistan, Iraq, Libya, & Afghanistan. This year alone there have been over 333 + strikes in Afghanistan. Almost 60 Guantanamo prisoners have been cleared for release but still remain captives of the US indefinitely. Stand with us opposing CIA & US Military drones used in extrajudicial killings and US/CIA secret rendition, indefinite detention, all torture, to oppose & close the Guantanamo prison camp.

Torture & US killer drone strikes are illegal, immoral, and must stop now!
