Speaker: Sister Simone Campbell, SSS has served as Executive Director of NETWORK since 2004. She is a religious leader, attorney and poet with extensive experience in public policy and advocacy for systemic change. In Washington, she lobbies on issues of peace-building, immigration reform, healthcare and economic justice. Around the country, she is a noted speaker and educator on these public policy issues. In 2012, she was also instrumental in organizing the “Nuns on the Bus” tour of nine states to oppose the “Ryan Budget” approved by the House of Representatives. This budget would decimate programs meant to help people in need. “Nuns on the Bus” received an avalanche of attention across the nation from religious communities, elected officials and the media.
